

Annual IUPUI SOE Grievance Committee Report

April 26, 2016

The IUPUI SOE Grievance Committee members are Monica Medina, Gina Yoder, Craig Willey, Lonnie Gill, and Jim Scheurich, Chair.

We have had two grievances filed.

For the first one, we found that there was substantive evidence that an adjunct had struggled to provide fair and appropriate grading. As a result, we recommended to the EAD that her grade be slightly increased, which it was.

For the second one, we are currently involved in gathering evidence for this one so no decision has yet been made.
